COVID-19 Update
Currently No Positive Resident Cases
September 4th, 2020

Dear Residents, Families and Staff,

Oak Hill received the results from the testing completed on 8/27. We had one part-time employee test positive. This individual has not exhibited any symptoms, and is quarantining at home. Due to the heightened positivity rate in our region, Oak Hill will increase the frequency of our testing. We are scheduled to test all residents and staff again on the 10th of this month. In accordance with Local, State and Federal guidelines, Oak Hill will resume weekly testing for all residents and staff for the foreseeable future.

For now, Oak Hill continues to invite our families and loved ones for social-distancing visits. There have been discussions among our State leadership to temporarily suspend them. Until we are told to halt this process, visits will remain on Tuesdays and Thursdays from 10am-noon and 1pm-3pm. Please call the main number and the receptionist will assist you with making an appointment. Below is a reminder of the guidelines that must be followed for each visit. To this point, every visitor has complied with these regulations, and the visits have gone smoothly.

- All visits must be scheduled in advance with the facility.
- All visits must take place outside and be monitored by facility staff.
- 20/30-minute visits while maintaining a six-foot distance and no physical contact.
- Face masks must be worn at all times.
- Visitor screening must take place 24 hours prior to visiting, and will be repeated on the day of the scheduled visit.
- No more than two visitors per resident are allowed to visit at the same time.
- No visitors under the age of 16 are allowed.

As part of this wonderful community, I cannot stress enough how important it is to stay safe and healthy. Please do your part as you travel outside of your homes to help our community safely get through these difficult times.

The safety and well-being of every resident at Oak Hill is our top priority. Thank you all, for your continued thoughts and prayers as we navigate this pandemic.

Please do not hesitate to call with any questions or concerns.

Sincerely,

Brian L. Koontz
