

## **COVID-19 Update**

### **February 25, 2022**

Dear Residents, Staff and Families,

I am happy to inform you that Oak Hill is COVID free. There have been no new positive cases of COVID in residents since January 17<sup>th</sup>. And, there have been no new positive cases of COVID in employees since February 7th.

We continue to listen to the COVID webinars to keep current on the most up-to-date COVID information and guidance. We continue to strive to follow all applicable IDPH and CMS guidelines to keep residents, staff, and visitors at Oak Hill as safe as possible. Per the guidelines, we continue to test non vaccinated employees twice a week. Also in an attempt to keep residents and employees up-to-date with their COVID vaccines, we are providing monthly vaccination clinics for residents and employees.

Thank you for your cooperation in helping keep residents at Ok Hill as safe as possible.

I am so excited to be part a part of the Oak Hill Family. For anyone that I have not had the opportunity to meet, please allow me to introduce myself. My name is Shari Kruep. I have been a licensed nursing home administrator for 33 years, both in Illinois and in Missouri. My husband, Larry, and I have been married for almost 32 years. We have two grown children, Autumn and Colton. Autumn is married to Bryan Maag. We have one grandson, Jackson Maag. We enjoy being active in our church, hiking and travelling.

I look forward to serving the residents, staff, and families here at Oak Hill.

Sincerely,

Shari Kruep  
Executive Director  
Oak Hill
