

## **COVID-19 Update**

### **April 14, 2022**

Dear Residents, Staff, and Families,

It was wonderful to see so many of you join us for our Annual Easter Egg Hunt. I hope you all enjoyed yourselves. I enjoyed watching the children collect the Easter Eggs and then get their amazing balloon creations.

Yesterday, we had a resident who resided in Evergreen Point for less than a week and returned back to the hospital test positive for COVID 19. We have tested all residents and employees who could have come in contact with the person. And, they are negative. We will continue testing those people for the next 14 days to ensure no one else is positive.

We continue to listen to CDC, CMS, and IDPH webinars to learn the most current and up-to-date COVID information and guidance. We continue to strive to follow all applicable IDPH and CMS guidelines to keep residents, staff and visitors at Oak Hill Safe as safe as possible. Per the guidelines, we continue to test employees who are not up-to-date.

Thank you for helping us keep residents as safe as possible wearing your facemasks while you are in Oak Hill.

I hope everyone has a very Blessed and Happy Easter!

Sincerely,

Shari Kruep  
Executive Director  
Oak Hill
